

Summer Daze Camper Rules

1. We spend most of our morning with physical activities. Always wear tennis shoes. No sandals please.
2. Do not bring any personal items with you. We provide all you will need for every activity that we do. We provide plenty of water. If you would like to bring a water bottle, please clearly mark it with your first and last name.
3. We expect extraordinary behavior from our directors, leaders and campers. Unacceptable behavior includes: inappropriate language, name calling, fighting, bullying, refusal to follow leader directions, purposeful destruction of camp equipment or park property and any behavior intended to cause physical or mental harm to another.

Discipline Policy-

Strike One: Camper will be made aware of the unacceptable behavior and will be removed from the activity for five to twenty minutes.

Strike Two: Camper will be made aware of the unacceptable behavior and will be removed from the activity for twenty to thirty minutes. A note describing the incidents will be sent home with the camper.

Strike Three: Camper will be made aware of the unacceptable behavior and will be removed from the activity for thirty minutes. A note will be sent home with the camper describing the incidents and the camper will not be allowed to attend the next day of camp. You will get a phone call from the Director or Site Supervisor.

You're Out: If a camper is unable to maintain acceptable behavior after strike three, we will ask that the camper not return to Summer Daze for the rest of the summer. There will be no refund.

Aggressive physical contact meant to do harm is never tolerated. If this should occur, the camper will automatically be dismissed from camp for at least one day.

I understand the discipline policy and will support the Director and Site Supervisor as they enforce it.
